

Wichita State University Libraries

Accessing Library Databases through the WSU Libraries Homepage

To access the Library's databases, go to the WSU Libraries Homepage at <http://library.wichita.edu> and follow the steps below. To access databases from computers located **off-campus**, you must have Internet access. You must also be a registered WSU student, faculty or staff member, and have a **myWSU ID** number and **Password**. If you have questions about how to access or use Library databases, please contact the Reference Desk at **978-3584**.

Click on **Electronic Databases** to see a listing of the Library's databases.

Welcome to the
Wichita State University Libraries Information System

Off-Campus Access

Off-campus users will see the **Off-Campus Access** proxy server screen, which requests your **myWSU ID** number and your **Password** in order to open the databases.

If your Password does not work, you may reset it by clicking the link on the screen.

Wichita State University Libraries
Off-Campus Access

You have attempted to access licensed library databases from a non-WSU Internet provider. Only WSU students, faculty, and staff may access this resource from off-campus.

Please enter your myWSU id and password in the boxes below.

If you need help finding your myWSU ID, click [here](#).
If you need to set up, change, or reset a forgotten password, click [here](#).

For assistance in accessing and using electronic databases, please come to the Reference Desk or call 978-3584.
